

how to host a Diaper Drive

▲ Set a date

Diaper drives can be set for any time of the year. You can host it party style or plan to have it a week or longer to hit a certain goal.

▲ Collect Donations

We collect all sizes of diapers, pull-ups/ training pants and wipes for children. Diaper packages can be in opened and unopened packages (all diapers are repackaged for clients by our volunteers).

▲ Drop-off Donations

After the party is over you should be left with a small mountain of diapers and wipes. Please drop-off your donations at Dayton Diaper Depot during normal business hours. If you're unable to drop-off your donations, please let us know!

💧 Why a Diaper Drive

Hosting a diaper drive is a great way to help alleviate diaper need in your community, as well as, spread awareness!

Diapers are one of the most basic needs for a family, but for low-income families, diapers can sometimes be a luxury and are often times rationed. A simple item such as diapers can change a family's life.

your very own Checklist

You better check yourself before you second guess yourself

We completely understand if its your first diaper drive or your 7th sometimes you need a good ol' fashion checklist to get everything in order and running smoothly.

△ PARTNER WITH US!

- Start by visiting our site, daytondiaperdepot.org to get to know more about us and our mission.

△ RECRUIT HELPERS

- Gather and inform your friends, coworkers, kickball league teammates, school carpool group, book club members, and family to lend a helping hand!

△ SET A GOAL

- How many donations would you like to raise? Check in and see what sizes we have a need for. Track your progress with a goal chart, an excel sheet, or whatever works best for you.

△ SHOUT IT FROM THE ROOF TOPS

- Utilize the social media sheet above to better help in your efforts to spread the word amongst your community.

△ SET YOUR START AND END DATE

- Have a single date that is more of a party or run your drive for a week to a month to collect more and reach goals.

△ MAKE IT THEMED

- It can be simple or you can go all out with a theme. Bottoms up for a night of drinks or maybe Moms helping Moms, or Stuff a Bus.

△ PICK YOUR LOCATION (S)

- Be sure to inform everyone where the event will take place. With a longer drive set up collection bins in a centralized location. For a large outreach connect with the community to see who might house your bin, be sure to label it.

△ COLLECT, DELIVER, AND SHARE!

- Gather some helpers to corral all those donated diapers, be sure to take photos. Contact us to set up a drop off time. Woo hoo you did an amazing job!! Share your success and give some love to everyone that made it all possible.

A huge thank
you and
congratulations!
